

Today meske saban

Today is the night of the holy saban or the night of good fortune. The word saban 'body' in Persian means night, and 'Barat' means good luck. In Arabic says' Lilatul Barat

On the 7th of the month of Hijri year, the day of the month of Sha'ban is known as the night of good fortune to devout Muslims. On this night, the Great Allah opened the door of the last mercy for the servants. Friday night in Bangladesh is the holy body.

On this glorious night, devout Muslims are engaged in nafal prayers, recitation of the Holy Quran and Zikir in the hope of receiving the grace of the Most Merciful. Forgiveness for the sins and wrongdoing of the past and praying for the welfare of the future life,

In many homes of the Holy Shabe, the home of halwa-bread is made and distributed among relatives, neighbors and poor. After dusk, many went to the cemetery and prayed for forgiveness of their souls.

On the occasion of the Holy Shabe, the Islamic Foundation organized various programs including Waz, Dua Mahfil, Holy Quran Tilawat, Hamd-Naat from this evening to deep night at the Baitul Mukarram National Mosque.

The holy body also brings the message of the coming of Ramadan to the Muslims. The holy month of Ramadan comes after the month of Sha'ban. So from the body, the preparation of the holy Ramadan begins virtually
